Luxury residential project with breathtaking sea views

Designed by a Swiss architect for this breathtaking and immediate seaside landscape, the property aims to combine the pleasure of exceptional design and still untouched nature.

The architectural design is characterized by 3 fanned-out concrete platforms with a staircase as their axis. The total living space of 230 m² will be spread over 2 floors. An open plan living, kitchen and dining area, 3 bedrooms, 3 bathrooms and a guest toilet are planned. Large glass windows allow a 360-degree panoramic view.
