Charming stone country house with spacious terrace in Kalamitsi, close to all amenities of the village and within short distance drive from the breathtaking beaches of West Coast

This village house is located in a tranquil neighborhood, surrounded by lush greenery in an up-and-coming area close to the well-known beaches of the West Coast with aquamarine waters.

The house is developed on 2 floors which are connected to each other by an internal staircase. The ground floor has been renovated in 2015 and includes a spacious living and dining area, made with the traditional Lefkadian technique with exposed wooden beams, a kitchen and a bathroom.

The first floor is in need of renovation and presents a living area and 2 bedrooms while outside has a spacious terrace with nice views of the village. The property includes a small plot of 50 m², 30 meters from the house which is used as a parking space.

In walking distance, there are restaurants, coffee shops and mini markets, too.
