[1553] **Kondarena Villa Wave**

Price: 195.000€ The price includes the land and the building license
Situated in a unique position, this luxurious project is an example of architecture at its best with marvelous open views of the deep blue Ionian sea Designed by a Swiss architect for this breathtaking landscape, the property aims to combine the pleasure of exceptional design and still untouched nature.

The design of the villa was inspired by the waves. The key element of this project is the organic form of the roof, which gives a different feel to each room on the first floor. The broad outside living areas and the patio close to th...

Situated in a unique position, this luxurious project is an example of architecture at its best with marvelous open views of the deep blue Ionian sea

Designed by a Swiss architect for this breathtaking landscape, the property aims to combine the pleasure of exceptional design and still untouched nature.

The design of the villa was inspired by the waves. The key element of this project is the organic form of the roof, which gives a different feel to each room on the first floor. The broad outside living areas and the patio close to the 2 pools create a very impressive composition!
