Exceptional project in the outskirts of beloved Agios Nikitas with captivating views of the shimmering blue sea and the vibrant sunsets

Located in quiet green surroundings just 1.4km from the heart of Agios Nikitas village with its stone-clad walkways adorned with multi-colored flowers, vibrant shops, and the popular beach with its crystal clear waters.

This project of three houses, each with its own pool, was designed with the intent to take advantage of the high tourism in the area. It is a great opportunity for those seeking an investment with the ability to act immediately without having to wait for license approval.

The first house is already built and liveable. The second house is in the skeleton phase, while the third which has yet to be started.

An exceptional investment opportunity in a great location on the West Coast of Lefkada!
