Spacious residence at the edge of the village with additional build ability

Located in a quiet neighborhood of the village Tsoukalades, amidst olive trees and within little distance from the town center, the picturesque fish village of Agios Nikitas and the well-known beaches of the West Coast with the aquamarine crystal water.

The property was built in 2011 and has a 3-level set up of 199sqm in total; 130 sqm is the main living area and almost 70 sqm is the garage/basement area. The house includes 4 bedrooms, 2 bathrooms and a WC, a fireplace and installation for heating pump. Also, the property give you the possibility to extend the existing living space with 110 sqm additional build ability.

The outside area features parking spaces and enough capacity for a weel-sized swimming pool. A house with great potential in a lovely area and beautiful views over the Ionian horizon of the West Coast!
