First floor apartment at the edge of the village with picture-perfect views of Mikros Gialos beach

Spacious apartment on the first floor, recently renovated and ready to offer all the proper amenities for a long or short term living, in walking distance to the local ''tavernas'' and ''kafeneio'' and breathtaking open views towards the Mikros Gialos beach and the islets of Atokos and Arkoudi.

The total living space of 86 sqm presents a living area, a kitchen/dining area, 3 bedrooms, a bathroom and a small storage which could be modified to a WC area if someone wishes, while from the wrapped-around balcony you can enjoy the beautiful views and the greek sun. All rooms have A/C units and there is installation for heating. Behind the house, there is a separate storage, made of stone, too.

A well-cared apartment, ideal for those who wish to be away from the sounds of the town and yet want to be close enough to amenities for that spur-of-the-moment outing either for errands, dining or swimming at famous beaches like Ammouso, Mikros Gialos and Afteli.
